

TO: NASBLA Partners & Associates
 FR: NASBLA Staff
 RE: 2010 Committee Assignments

Serving on NASBLA Policy Committees is one of the benefits of your associate membership. NASBLA committees provide a unique opportunity for associate members to network with other recreational boating safety partners and discuss issues facing the recreational boating safety community. We welcome your active involvement in the work of NASBLA's public policy committees. We value your insight and advice as we discuss trends and issues and develop NASBLA's public policy. To assist with committee planning for next year, we need to know your preferences for serving on NASBLA subcommittees. Please make your selection(s) below and **return this form to the NASBLA office no later than close of business October 23, 2009.** With your help, we can look forward to a year of great work and accomplishment. . E-mail form to ron@nasbla.org or fax to 859.231.6403.
